Introducing

a new conference dedicated to the challenges of a new church building or refurbishment program

a time to build

Wednesday 7th March 2012

specifically for **church leaders, trustees and directors** of local churches and charities who are considering their land and building requirements.

hosted by
Christian Life Ministries
The Welcome Centre, Coventry CV1 2HG

Program

During the morning and afternoon sessions we will be considering a number of **Principles** and **Practical** matters.

The session following lunch will contain case studies that offer the opportunity to learn from other people's successes and mistakes.

The Welcome Centre - Coventry

a time to build

During the lunch period there will be opportunity to look round **The Welcome Centre**.

Recently completed, the facility consists of a 700 seat auditorium plus numerous other rooms which facilitate conferences.

Some of the key people, responsible for the commission and construction of this new building, will be available during the day to **share their experiences** and **answer any questions** you may have.
