

LIFE CHURCH, Bedworth – Production Manager

- Salary: Dependent upon experience
- 22.5hours - requires some evening and weekend work
- Fixed Term for 1 year, subject to a 6 month review
- Reports to: Assistant Pastor

Information & Description

Life Church is a vibrant Christian community located in Bedworth & Nuneaton, with a vision to ***transform our towns, reach our region and have international influence.***

The church has been established for over 40 years and is part of Assemblies of God GB, which in turn is part of the largest Pentecostal denomination in the world. Life Church presently has a congregation of around 300 people meeting each Sunday with a wide variety of different ministries reaching many in the surrounding communities throughout the week.

As we move into a new and exciting season of growth and development, we are looking for a new Production Manager to join our thriving staff team! If you love Jesus and His church, have a passion for excellence, and are able to lead, recruit and work with a team of volunteers, then this may be the job for you. The successful candidate will have experience of delivering high quality production within a church context and have a grasp of how best to deliver excellent audio visual experiences for both live and online worship gatherings.

In return for your passion and hard work we will ensure you are both cared for and developed as a person, being part of a team that is seeking to make a real difference in people's lives in the North Warwickshire area and beyond.

This role carries an Occupational Requirement for the applicant to be an active Christian, be fully able to adhere to the vision, values and beliefs of Life Church and be willing and able to engage with the spiritual life of the church.

Please see below for a full person specification and job description.

Applications need to be received by **Wednesday 30th September 2020.**

3. Has a passion and gifting for audio visual production within a church context
4. Is a multi-skilled engineer in the areas of sound engineering and system optimisation
5. Has an 'extra-mile' spirit
6. Is able to lead teams effectively and be a constructive team member
7. Can communicate well and deliver production training where required
8. Has excellent interpersonal skills with the ability to interact effectively with a wide variety of people
9. Demonstrates humility, and has a deep commitment to their own growth and development
10. Has effective organisational skills and can competently manage their own workload
11. Is willing to submit to leadership, welcomes accountability and commits to open and honest communication
12. Is continually willing to self-develop and develop others
13. Is willing to undertake any training or further learning deemed appropriate by the Assistant Pastor or Leadership Team

Job Description

This is an exciting time to be part of Life Church. As we move forward into new opportunities and growth, both live and online production is hugely important to us as we seek to become the church God has called us to be. As with all churches, in light of the Coronavirus outbreak we are currently dreaming and exploring what the 'shape' of Life Church will look like beyond Covid-19. The exact details and specifics of this role may therefore change over the coming months as part of this re-envisioning process.

Core Tasks:

1. To build, develop and lead our production team
2. To ensure a strong, capable audio visual production team is available for every worship service, event and expression of Life Church
3. To ensure our LifeKids programme have adequate equipment and production support for their activities
4. To support all departments across the church when they have technical and production requirements
5. To deliver high quality, up-to-date audio visual production team training to all volunteers

6. To ensure all technical equipment is in good working order, making sure any necessary repairs and upgrades are undertaken promptly and cost effectively
7. To work alongside our Media Team to create any necessary set or stage designs for sermon series or seasonal events
8. To ensure we are able to broadcast high quality livestreaming
9. To assist our Worship Team with the production of original worship songs for distribution on various streaming platforms
10. To work alongside our Operations Pastor to ensure all technical Health & Safety requirements are met, monitored and reviewed
11. To provide technical support for any external bookings as required
12. Undertake any additional duties as required by the Lead Pastor, Leadership or Management Teams
