

**Youth Worker - Full Time
Tunbridge Wells, Kent**

Salary £20,000 - £23,000

This post is the result of a partnership between Tunbridge Wells Youth For Christ and TWCF Church. It is an exciting opportunity to organise town wide united groups and events, working with church based youth workers to reach and disciple the young people of our area, whilst also being based in a local church and able to lead, disciple and develop youth ministry within that context. A successful candidate would be involved in continuing to build relationships with youth, volunteers and church leaders to develop this ministry in partnership.

50% of your time will be with YFC, working with local churches and youth workers, co-ordinating a monthly worship event, developing youth-led programmes, helping organise residential, and being involved across the town as a member of the YFC team.

50% of your time will be with TWCF Church, working with young people and the existing volunteer youth team, taking responsibility for the discipleship and care of 11-18 yr olds and enabling young people to grow in faith and empowering them to put their faith into action.
